- Chip/pretzel bags
- Juice pouches
- Light bulbs, glass dishes
- Window glass, mirror glass
- Packing chips/peanuts
- Credit cards
- Video tapes
- CDs

Following These Suggestions Will Make You An Efficient Recycler

- No need to remove caps, lids, rings or labels.
- We would actually like you to keep plastic caps on the plastic bottles whenever possible.
- Leaving items outside of containers is considered littering and subject to a ticket.
- Rinse out items, and flatten as much as possible.
- Only place appropriate items in drop-off containers.
